The library has been reorganized and rearranged during this past year, and a number of duplicate books are for sale. Although our resources are limited - by space and finances - readers can find and enjoy autobiographies, biographies, novels, mysteries, romances, and various non-fiction including history, geography, and adventure books. Eighty-four books have been purchased during 1981: 9 non-fiction adult books, 12 adult fiction books and 63 children's books. Forty-five books were donated to the library: 11 adult non-fictions, 28 adult fictions, and 6 juveniles. The library subscribes to Good Housekeeping, New Hampshire Profiles, and Consumer Reports.

The children have a special area geared to their interests. Now that the Tax Collector and Town Clerk have moved to their own office, the library is less crowded on Thursday evenings.

The library's purpose is to serve the townspeople. Ways of accomplishing this include ordering books from the New Hampshire State Library by the librarian and using Bookmobile books which are delivered at least two times a year. The library is open Thursdays 3-4 P.M. and 7-8 P.M. Different hours will be considered (such as Wednesday afternoons instead of Thursday to coincide with the dump hours) if such a change will allow more people to use the library. Any suggestions or comments for improving the library will be welcomed and discussed by the trustees and librarian.

The Effingham Rescue Unit Report for 1981

The Effingham Rescue Unit completed its second year of providing emergency ambulance service to our townspeople as well as area rescue services with a dramatic increase of 31% in the number of times we provided ambulance transportation and rescue service to townspeople.

We continued our training and fundraising efforts and tried some new ideas in both areas. However, this was a difficult year to train, raise money, meet increasing state regulation, and also find more people to expand our active membership. During 1982 the Unit must find several people to participate in this important town service, people willing to be trained and to share the responsibility for providing emergency medical services locally. Anyone interested in preserving this volunteer public service should contact the officers of the rescue unit to find out what they can do to help.

Thank you for your support in 1981.

EFFINGHAM ACTIVITIES COMMITTEE

The Effingham Activities Committee held a busy year in 1981. Whist parties were held and are still being held at the Historical Building in Center Effingham. The annual Games Day was held at the Falls School, with prizes being given, and all having a great day. In the fall, the Committee sponsored the Hallowe'en Party for the Town's children, complete with costumes and refreshments. During the Christmas season, the Christmas Carol Sing was held at the Lord's Hill Church, with lots of carol singing for everyone.

The Committee meets the first Thursday of every month at 7:30 PM at the Town Hall. All are welcome to attend, and everyone is encouraged to suggest activities for the Town to the Committee. Our function is to provide activities for the Town of Effingham - your suggestions will provide for more of them in the coming year.

VISITING NURSE ASSOCIATION

ANNUAL REPORT - 1981

The Visiting Nurse Association of Wolfeboro and Vicinity, Inc. now provides Home Health Care to residents of eight towns. Services to Ossipee residents began shortly after voters' approval was obtained at the March Town Meeting. Total services provided continue to increase, even after allowing for the increase in our service area. A total of 6792 home visits were made by the Agency Staff, while 338 Home Health Aide visits were made under the contractual agreement with Carroll County Health and Home Care Services, Inc. and Lakes Region Community Health Agency, Inc.

The Well Child Clinic Program offers comprehensive preventive health care services to children from birth through age five. Three clinic sites are now utilized: Ossipee, Wakefield and Wolfeboro. The addition of the clinic site in Wolfeboro makes the clinic services more accessible to Wolfeboro and Alton residents. Through cooperative efforts with local school district personnel, school age children are immunized according to State requirements. Children within this agency service area have one of the highest rates of completed immunizations within the State.

Funding cuts for Health Care, both at the State and Federal level do affect this agency. Every attempt is made to lower costs of providing service. Our per visit cost of \$12.50 compares favorably with the costs of \$25.00 or more charged by agencies in neighboring areas. Patients whose care is not reimbursed by insurance are asked to contribute toward the cost of the care they receive.

Again this year, the success of our program has been dependent upon many people: the active commitment of the Board of Directors; the assistance of physicians and school nurses; the many volunteers who assist with the Well Child Clinic services; the cooperative efforts of other agency personnel; the support of contributions to our annual fund drive and to the residents of our service area who give their support to our appropriation requests. The Board of Directors, the Agency Staff and I thank you all.

Respectfully submitted
